Also:

- Do not drive your car up to the pool area. If you need to unload your play things – just walk them up. Park in the designated parking lot!
- Do not put any furniture in the pool! It damages the pool lining, which causes the pool to be closed while the repairs are being made and costs all of us money!
- Close and LOCK the gate to the pool parking area when you leave.
- Turn off all lights (tennis court also), turn off the fan, lock the bathroom doors and lock the gate at the pool if you are the last to leave.

Bring your key to the pool – think twice before letting people in who do not have a key and who you do not recognize. Our pool is indeed lovely but it is OURS – not for the use of the Douglasville community in general.
